1	Aiton ES	202	3	7	Malaika Golden	(202) 671-6060	533 48th Pl. NE Aiton will offer summer programming for PK-4th grade students. We are hoping to combine academics with enrichment opportunities in this summer program. PK4 through Grade 2 will focus Early literacy and foundational reading skills. Grades 3 and 4 will focus on math fluency and problem solving strategies.	50	7/12/21	Three Week Half-Day Program	9:00 am - 1:00 pm
2	Amidon-Bowen ES	203	6	6	Tamikka Sykes	(202) 724-4867	401 I St. SW Based on our MTSS data, our current kindergarten and first-grade students are in need of additional academic and social-emotional support. Teachers will focus on reading and math in small groups. Our program targets students with low attendance and engagement during virtual learning in an effort to move them closer to EOY grade-level goals.	30	7/12/21	Two Week Full-Day Program	8:00 am - 4:00 pm
3	Anacostia HS	450	9	8	William Haith	(202) 698-2155	1601 16th St. SE Come join us for The Anacostia Summer Fest. Project Based Learning - Students will engage in projects aligned to the DCPS curriculum to enhance their reading, writing, and math skills. Student Enrichment - Students will participate in various workshops to gain essential post-secondary life skills; Student Wellness - Students will participate in mindfulness, SEL, and athletic activities.	80	7/26/21	Two Week Full-Day	9:00 am - 2:00 pm
4	Ballou HS	452	9	8	Willie Jackson	(202) 645-3400	3401 4th St. SE The Ballou Summer Acceleration Academy is focused on engaging experiences to help students build relationships with their classmates and essential skills for the next school year. Our rising 9th and 10th grade students will participate in daily SEL, team-building activities, and academic extension activities like case challenges and building competitions. Our rising 11th and 12th grade students will participate in SEL, college-readiness, and community service opportunities to prepare for graduation and beyond. All students that participate will also have the opportunity to earn a Microsoft Office Specialist (MOS) that will build their tech skills and resume and make them more competitive for the work force.	250	7/12/21	Three Week, Full-Day Program (Monday-Thursday)	9:00 am - 1:00 pm with extended day on Thursdays (9:00 am - 3:00 pm)
5	Ballou STAY	462	10	8	Cara Fuller	(202) 645-3390	3401 4th St. SE While all students need to be reengaged, we need to prioritize tier II and III students. While the tier system looks differently at Ballou STAY, we know that our 9th graders generally struggled with virtual learning and did not attend classes this past year. Additionally, students that were new to Ballou STAY in the fall of 2020 never had an opportunity to meet teachers and staff in person. These students missed the most valuable secret ingredient for success at Ballou STAY, building a relationship meaningful relationship with a caring adult. The primary objectives for our summer focus include the following: Providing students with an enriching experience to introduce them to the Ballou STAY Way, develop habits of success, and create meaningful relationships with peers, teachers, and staff. Facilitating a project-based learning experience that highlights the culture, political, social, economic history, and current events of the District of Columbia as an introduction to the academic style and expectation of Ballou STAY.	80	Session I: 7/12/2021 Session II: 7/26/2021	2 two week full Day Program	10:00 am - 2:00 pm
6	Bancroft ES	204	5	1	Jessica Morales	(202) 673-7280	1755 Newton St. NW Bancroft will provide students with a robust learning experience and supportive social emotional programming to engage and prepare them for the coming school year. We will target students furthest from opportunity and students identified through universal screening metrics and teacher input.	76	7/12/21	Three Week Half-Day Program	9:00 am - 1:00 pm
7	Bard High School Early College DC	1058	10	7	Vanessa Anderson	(202) 898-4664	4430 H St. SE Bard DC's Summer Acceleration Academy is a time for us to reset as a school community and reacclimate to our social emotional and academic priorities. Students will be reintroduced to Bard DC climate and culture, with a focus on relationship building and building blocks of success (skills needed for academic success). Students will engage in academic projects, practice habits of successful early college students, engage in field trips, spend time relationship building, have community service opportunities, and preview overall academic expectations for the school year. Students will leave Summer Acceleration Academy with a clear understanding of how they will meet their academic, social emotional, and post secondary goals during the 2021-22 academic year.	330	8/2/21	Two Week Full-Day	Other
8	Barnard ES	205	4	4	Grace Reid	(202) 576-1100	430 Decatur St. NW Barnard Elementary School will convene its Summer Acceleration Academy on July 12, 2021 serving Pre-K4 (8:30 a.m. to 1:00 p.m. and Kindergarten through the Fifth Grade from 8:30 a.m. to 5:00 p.m. The morning sessions will be dedicated to unfinished academic learning based on the power standards, and the afternoons will be committed to social emotional learning, clubs, outdoor learning, and projects in our attempt to reacclimate students to returning to school in the fall semester.	215	7/12/21	Three Week Full-Day Program	(Pre-K4) 8:30 am - 1:00 pm (K-5) 8:30 am - 5:00 pm
9	Beers ES	206	2	7	Gwendolyn M. Payton	(202) 939-4800	3600 Alabama Ave. SE At Beers ES, we are going to offer the half-day, three week program from 9:00 a.m.-1:00 p.m., beginning July 12, 2021 through July 30, 2021. We will have PK4 to grade 2 for Tier II and Tier III identified students using MOY assessment data.	66	12-Jul	Three Week Half-Day Program	9:00 am - 1:00 pm

1	Benjamin Banneker HS	402	10	1	Anita Berger	(202)671-6320	800 Euclid St. NW	Banneker's Summer Acceleration Academy will be an extension of our traditional Banneker Summer Institute (traditionally only focused on 9th-grade students). We will extend this opportunity to all Banneker students. The 9th and 10th-grade students will attend July 6 - July 23, 11th grade, July 26 - July 30, and 12th grade August 2 - August 6. The program will provide all students the opportunity to practice skills that will prepare them to transition successfully back to in-person learning and provide opportunities for skill development for the SAT assessment and provide rising seniors the opportunity to begin college applications. Banneker focused on the development of the entire student body. We hope that our summer acceleration programs will propel students toward day one success by providing intervention, enrichment, soft-skill development, and exposure opportunities. There will be four different acceleration academies (BSI) because the needs differ for students at each grade level.	275	7/6/21	Five week, half-day program	8:30 am - 12:30 pm Mondays, Wednesdays, and Fridays - 9th grade, Tuesdays and Thursdays - 10th grade, July 26 - 30 Monday - Friday - 11th grade and August 2 - August 6, Monday - Friday - 12th grade
11	Brent ES	212	4	6	Norah Lycknell	(202)698-3363	301 North Carolina Ave. SE	The goal of Brent's Summer program is to provide a positive school experience for students in early elementary and strengthen student attention, engagement, motivation, persistence, curiosity, and executive functioning skills. We will do this by designing joyful and authentic experiences that support language development, physical development, and academic development. Our curriculum will focus on early literacy and explicit social-emotional development with a focus on independence, emotional regulation, relationship building, constructive collaboration, and social problem solving.	60	7/12/21	Three Week Half-Day Program	8:30 am - 12:30 pm
12	Brightwood EC	213	6	4	Maurice Kennard	(202)722-5670	1300 Nicholson St. NW	Our Summer Acceleration Academy will be an opportunity for a subgroup of students that are currently in PK-4th grade. This group of students will spend 2 weeks attending a full school day with K-5 staff members from their upcoming grade level for SY 21-22. The students that participate in this program will be engaged in daily academic, SEL, and wellness activities.	86	6/28/21	Two Week Full-Day Program	9:00 am - 3:00 pm
13	Brookland MS	347	7	5	Kerry Richardson	(202)759-1999	1150 Michigan Ave NE	The purpose of the Brookland Middle School Summer Acceleration Academy is to build students excitement for learning, re-engage them with our school community, and thoughtfully and intentionally respond to their specific SEL and academic needs. Students will be exposed to a rigorous and engaging curriculum that will provide Tier II and Tiered III academic interventions and supports including small groups and one-on-one instruction. This will be great opportunity for scholars to engage with both teachers and peers as we prepare to transition back into in person learning.	115	7/12/21	Three Week Half-Day	9:00 am - 1:00 pm
14	Browne EC	404	7	5	dwight.davis@dc.gov	(202)671-6210	850 26th St. NE	This summer Browne EC will be offering our families an opportunity to get a jumpstart on next school year. That's right, Browne will be offering our scholars an opportunity to get ahead during our Summer Acceleration Academy. Browne's Summer Acceleration Academy will begin Monday July 12th, 2021 and conclude July 30th, 2021. The school day will begin at 9am with scholars arriving at 8:30am and conclude at 2pm. Our school day will be full of fun and exciting learning opportunities for our Browne scholars, small group learning opportunities in reading and mathematics, and participation in PE and Dance.	106	7/12/21	Three Week Half-Day Program	9:00 am - 2:00 pm
15	Bruce-Monroe ES @ Park View	296	5	1	Alethea Bustillo	(202)576-6222	3560 Warder St. NW	BMPV Global Citizens Summer Program: BMPV will offer academic and extracurricular activities prioritizing the prepared, loved and challenged component of the DCPS goal. The program will emphasize joy, self-advocacy, student agency and independence, and promote habits of mind (reading behaviors and standards of mathematical practice) with intentional cross-disciplinary connections. We will leverage culturally responsive pedagogy by creating authentic real world learning experiences for our dual language community which will include an intersectional, whole-child approach, meeting all of our MTSS identified cohorts, particularly race, language and ability.	110	8/2/21	Two Week Full-Day Program	8:30 am - 4:00 pm
16	Bunker Hill ES	219	1	5	Jennifer Tompkins	(202)576-6095	1401 Michigan Ave NE	Bunker Hill's Summer Acceleration Program will offer Tier II interventions along with a STEM focused curriculum for students. 1	Johnson, John Hayden MS	416	9	8	Dwan Jordan	(202) 939-3140	1400 Bruce Pl. SE	The Johnson Middle School "Bridging the Gaps" Summer Academy will engage our students in fun learning experiences, build their excitement for learning, and thoughtfully and intentionally respond to their specific SEL and academic needs. Our program will specifically focus on: Academic Readiness; Health, Fitness and Social Emotional Learning; Public Policy; Fun Specialty Tracks - Career Exploration, Visual and Performing Arts, and STEM The Summer Academy will offer in-person programming for students for 15 days (9:00am - 1:00pm) for three consecutive weeks. Students will participate in summer programming Monday through Thursday and be treated to fun field experiences and performances on Fridays. The Summer Academy will be designed for students who would benefit from Tier II and Tier III supports and we plan to serve 10%-35% of JMS students (36-126 students).	75	7/19/21	Three Week Half-Day Program	9:00 am - 1:00 pm
48	Kelly Miller MS	421	7	7	Kortni Stafford	(202) 388-6870	301 49th St. NE	KMMS Pride Prep Summer Learning Academy gives scholars the opportunity to explore project-based learning, participate in social-emotional learning, and engage in community building activities. Scholars will also get acclimated to the KMMS learning environment, and prepare for a new school year of challenge, learning, and fun.	177	7/12/21	Three Week Half-Day Program	9:00 am - 1:00 pm
49	Ketcham ES	257	2	8	Maisha Riddlesprigger	(202) 698-1122	1919 15th St. SE	Summer Acceleration Academy at Ketcham will target students in need of Tier II and III support both for academics and attendance. Students will engage in fun and interactive indoor and outdoor learning opportunities. They will explore grade level texts and daily math components related to the theme assigned to each grade level to help meet individual student growth goals. Enrichment will be offered in the areas of music and possibly physical education. We will also partner with UPO for STEM and summer reading groups.	70	7/12/21	Three Week Half-Day Program	9:00 am - 3:00 pm
50	Key ES	272	4	3	David Landeryou	(202) 729-3280	5001 Dana Pl. NW	Our Summer Acceleration program will be targeted to rising 2nd-5th grade students who are farthest from benchmark. Our goal is to avoid summer slide and get students excited for learning over the summer. Therefore the approach will highlight enrichment opportunities such as lab-based science experiments and interactive social studies activities that embed content area standards in way that students don't even realize they're in school. We will also build on social and emotional competencies by having students celebrate their personal identities and build strong relationships with their adult and peers.	44	7/12/21	Three Week Half-Day Program	9:00 am - 1:00 pm
51	Kimball ES	259	2	7	Eric Dabney	(202) 671-6260	3375 Minnesota Ave. SE	Kimball's Summer School Acceleration plan will provide scholars with an additional 60 hours of learning opportunities.
